## Medinah Shoot

If was a beautiful day to shoot! J. Reynolds started it off from St. Charles with 50 followed up by Jim Young and Jay Hutchinson to set the tone of the day, scores were going to be high; but true to form we only had one more 50 from the veteran Tim Ivers at Glen Oak. Oak Park had a great day shooting 246 to tie Glen Oak but St. Charles came on strong. If Mike Skratsky would have shot they would be tied also. (3 down)

Medinah had a lot of shooters on Saturday and will field a strong team. Our hosts did a great job the birds were fantastic and they kept things moving all day. Don't forget we need our members as referees and a puller for our country club skeet league shoots.

We also had 7 new shooters! Clayton Young, Brandon Glavin, Carter Kirk, John Schmitt(Jim Young) John Parrillo, Byron Udell, Jeff Wintermheimer.

Only 73 Shooters for the day, so we had plenty of room don't forget we shoot 5 man squads only.

Thank You
